

## MIDDLESEX COUNTY CAMP Core Priority Sheet -Day Campers

In order to offer a wider variety of programs to all of our campers we will ask you to prioritize the individual core classes. Below you will find the cores listed. Please number your preference by writing 1, 2, 3, 4, etc on the line next to that area. 1 would reflect your first choice and the largest number would reflect least desired choice. All efforts will be made to assign top choices to campers. Cores will be assigned on a first to register basis. If your camper is attending multiple weeks, please send a copy of this form for **EACH WEEK** they are attending. Please X below to indicate what week the below choices are for:
